MITaly Networking Reception: Italian Women in Science

Interested in pursuing a career in science and engineering? Would you like to know more about the bitter and sweets of the life of a scientist and learn how to face those situations?

Join MITaly and GWAMIT in this networking session and hear about the experiences of MIT Professors Paola Cappellaro and Paola Rizzoli and Harvard Professor Katia Bertoldi!

Pizza and desserts from Boston's North End will be provided.

Speakers

Prof. Paola Cappellaro
MIT, Nuclear Engineering

Prof. Katia Bertoldi
Harvard, Applied Mechanics

Prof. Paola Rizzoli
MIT, Physical Oceanography

Program

Room: 32-155

6:45pm refreshments

7:00pm event begins

**8:15pm networking
reception and
desserts**
