Sunday, April 24th, 2016 - 6.30pm Dante Alighieri Society of Massachusetts
41 Hampshire St, Cambridge, MA 02139

from Anthony Riccio Collection

With the participation of the film's producers

Professionisti Italiani a Boston (PIB) in collaboration with Dante Alighieri Society of Massachusetts is proud to invite you to a film on the fascinating history of the Italian immigration in Boston in the past century.

This film, produced by the North End Historical Society, is not so much a narrative documentary history as a series of chapters describing certain aspects of the North End's Italian-American history and culture, as well as some of its notable residents. The goal of the film is to portray the soul of the old North End as experienced by the people who lived there and who loved it so much.
