“Educate, Promote, Collaborate”

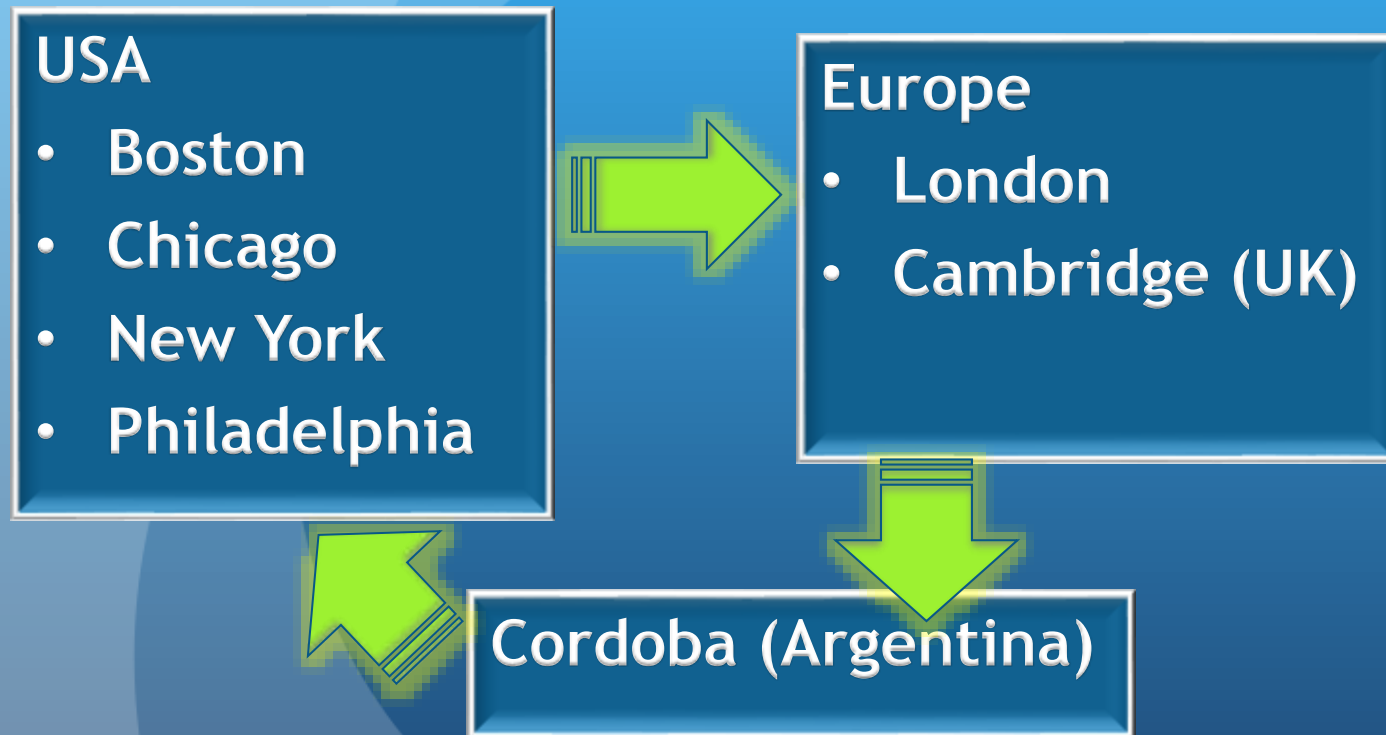

# Mission

PIB, founded in early 2009, is a **non-profit organization** promoting **cultural and educational activities** centered on innovative aspects of the Italian cultural, scientific, and greater professional landscape.

**We connect Italy with Boston** on a global and local level, gathering Italian professionals, entrepreneurs, artists, and researchers in the Boston area.

PIB, as a parent organization, fosters the launch and growth of sister networks in the world.

# Professionisti Italiani all'Estero

Connections with partner groups of Italian professionals in Canada, Washington DC, San Francisco, Moscow (Russia).

PIB maintains **active collaborations** and continuous open communications with institutions, in particular with the Italian Consulate in Boston.

PIB is nevertheless an **independent** organization.

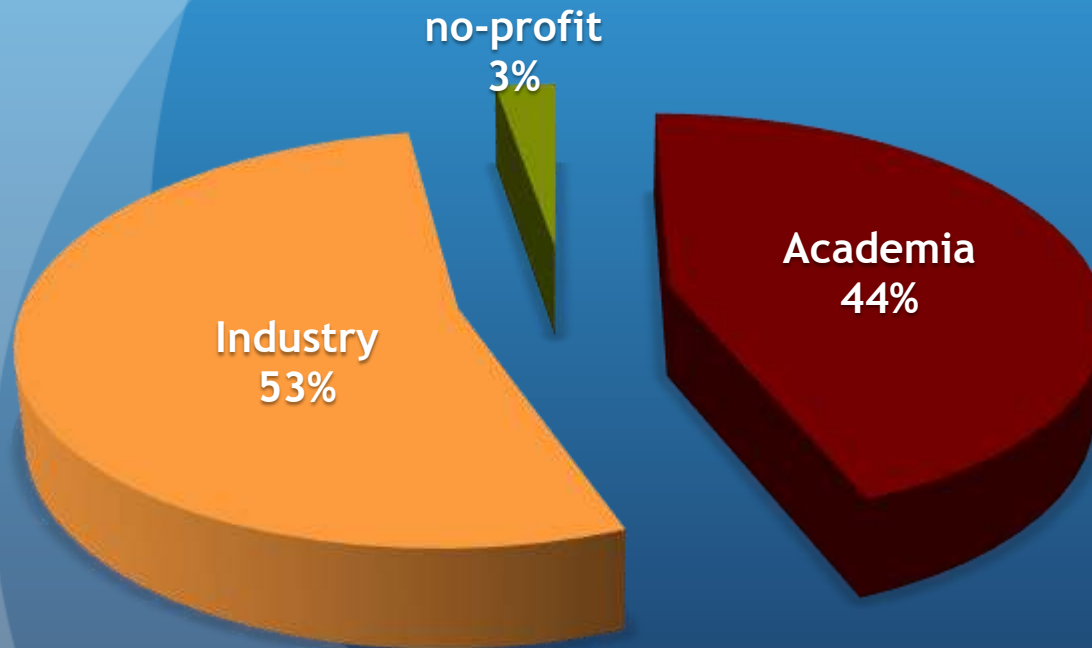

# Objectives

- Disseminate and advance knowledge
- Foster and promote the local Italian excellence
- Unite local Italian professionals
- Create and maintain active bonds with Italy
- Facilitate collaborations
- Promote the Italian culture and heritage
